“The Church is our mother. She gives birth to us in Baptism, feeds us with the Eucharist, and anoints us in the Holy Spirit. She forgives our sins and helps us live out our vocation as we discover who we are as beloved children of God. We love the Church, because it is in the Church that we find the fullness of Christ and are given the grace of the Sacraments, to become holy, to become saints. Bishop Donald Hying, FORMED.org
