She also co-directs a mental health program in Los Angeles that was founded by mothers.

**Father’s Corner... July 25th is the Feast Day of Saint James the Greater**

St. James was one of Jesus’ Apostles. Little is known of his early life. He is the son of Zebedee and Salome and a brother to John the Apostle. He is called “The Greater” to distinguish him from the other Apostle James the Lesser. Some people believe James the Lesser was shorter than James the Greater and that is where the titles originated.

Saint James the Greater was one of Jesus’ first disciples. James was fishing with his father and his brother, John the Apostle, when Jesus came to the shores of the Sea of Galilee and called for the fishermen who were unable to catch any fish that day, Jesus told them to dip their nets in the water once again. When the fishermen followed Jesus’ instructions they found their nets full, and after emptying the fish on board, the boats nearly sank from the weight. (Luke 5:1-11)

Later James was one of only three called by Jesus to witness His Transfiguration (Lk 9:28-36); and when he and his brother wanted to call down fire upon a Samaritan town, both were rebuked by Jesus (Lk 9:51-56).

Following Christ’s Ascension, James spread the Gospel across Israel and the Roman Kingdom as well. He traveled and spread the Word for nearly forty years in Spain. Later, James returned to Jerusalem and was martyred for his faith by King Herod who decapitated him. Saint James the Greater is known as the first apostle to die.

As he was not allowed to be buried following his martyrdom, his remains were taken to Compostela, Spain, by some of his followers who buried him. In the ninth century his remains were discovered and moved to a tomb in Santiago de Compostela. Today, his tomb is visited by thousands of pilgrims who visit the Cathedral of Santiago de Compostela.

Because Santiago de Compostela is the third most frequently visited place that pilgrims migrate to following Rome and Jerusalem, Pope Leo declared it a Shrine.
